COUNCILL CONTRACT FABRIC LIST BY NAME

Please be advised that this list is a general synopsis of fabrics included in the graded-in program, and should be used as a general guide when working on a project. Because of the susceptibility associated with fabrics, we can not guarantee the availability, pricing, grade status, etc. Our suppliers contact us daily with updates, new fabrics, phase-out's, etc. To assure or check on your fabric selection please contact our customer service department. This list will be updated monthly on the website, so please do not include this list as a permanent part of your Council Contract catalog.
